EDITORIAL

In the hopes that every one of you is having the summer of your life, I must say that this "gal" has been very busy with some travels to Europe, and not just vacationing I might add! It amazes me still the curious questions still asked about "Sulka", and some of the girls I filmed, what seems to me to be long ago! Many want to know how tall, what their ethnic background is, their birth signs, etc, so now I guess it is time to work on a book or magazine giving all this information in a way that is very special. To all, keep your eyes open for this forthcoming publication.

With video production being the main thrust these days I again want to thank all the people for their stories, letters and recently some art work that will be coming out in our fall issues!

With so much to attend to after being gone awhile, I am making this short and sweet but, but please remember to play safe, avoid drugs, and happy dressing!

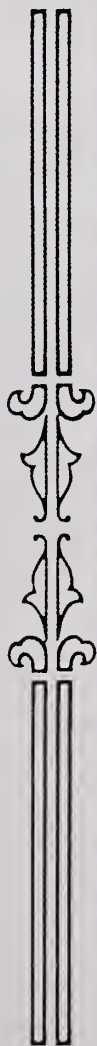

Auntie's V's **Panty Boy**

**comes
out of the
closet!**

HER FEMME NEPHEW HAD LOVED THE FEEL AND SMELL OF SATIN AND LACE, AND SHE FELT IT HER DUTY TO OPEN HIS EYES TO THE FACT HE WAS DIFFERENT FROM THE REST OF THE BOYS!

With the help of that sensational Morelle Dekeigh, Auntie V would transform her boy toy into the girl he really always wanted to be. The fact that he was also a sexual virgin only made Auntie more aggressive in her role of forceful teacher!

PARTY TIME

(PART TWO)

Continued from F.M.I. #75

ultimate reward. Felicia-Ann's hand caressed Yvette's ass so lovingly and with so much passion.

Yvette's fingers were playing with Felicia-Ann's ears and hair and neck. We were all very quiet, holding our warm breaths tightly, suppressing our laughter as we witnessed the blossoming of true (homosexual) love.

Felicia-Ann pulled the back of Yvette's panties down enough to slip her hands into them so they could fondle the skin of Yvette's smooth white ass.

They both were grinding and undulating in "intercourse simulation" (and, of course, stimulation). Yvette and her make-believe cunt was matching Felicia-Ann's love rhythm as she slipped her cock out of her pink panties and slid it into the leg opening of Felicia-Ann's white panties. Suddenly both male love muscles were contained in the same lace clad prison and rubbing against each other, pulsating and throbbing together, skin to skin.

We could see everything, as the two sissies hot, wet, sucking mouths opened and their tongue probed deeply in the other's red lip-sticked, hot, moist lips.

The rising tide of wild and uncontrolled passion had all but made the world just for the two of them. Their petticoats moved up and down and swirled around and about with their wild movements. Their kisses became hotter and wilder. Their hips moved in an obscene rhythm. Their hot hands searching, grabbing, squeezing, groping, their long red fingernails gently scratching.

They were moving as one, actually making love in front of the room full of laughing women as they dry fucked, hard, strong and oblivious to us and anyone else. We tried so hard to contain ourselves but finally couldn't.

Our laughter burst out upon the room like thunder and lightning. The sissy lovers didn't seem to hear as they were locked in this hot, wild and lustful embrace. We chattered excitedly about what they were doing. We took dozens of pictures

from every angle and several were of them playing with "the other girl's tits." Later David, Sally's husband, found the pictures and recognized Robert and Donald, but that's yet another story.

For me to see my pretty little Yvette in her queer, adulterous lust wasn't surprising, but it was sure exciting. I couldn't believe how turned-on I was, even though I had fantasized several times about "his maiden voyage." Both sissy's hands were wildly exploring and searching the other's body. Their red hot tongues swirled together and they wildly licked and sucked each other's saliva. Their hips were now smashing against each other like pile drivers. Their cocks pressed against each other like two magnets.

Enough heat was emanating from them to heat a couple of skyscrapers, as they humped and fucked each other like a pair of wild animals — a stud dog and a bitch in heat. It was a magnificent display of young love as the self-admitted sissies, dressed in their frilly and fluffy outfits, tried to satisfy the erupting, unquenchable carnal desires that totally consumed them.

We women were beside ourselves with pleasure as we watched in complete amazement at these two, big, brave men. It took several minutes before my voice finally broke through to them, "Stop! Lie down. Immediately."

The carpet was an immediate sea of pretty lace and ruffles as Felicia-Ann quickly lay down on her back. She spread her arms and legs out to welcome and entice and hotly accept her petticoated "male" lover, Yvette. Felicia-Ann's white, silk, lacy panties were fully exposed. Her cock, large and thick, could be seen throbbing through them. The silk was stretched to the point that the blood pulsating through her male love muscle seemed to cause the silk to shimmer and shine in the well-lit room.

In a flash Yvette slipped on top of Felicia-Ann in the 69 position and she buried her face into Felicia-Ann's steaming hot panties, breathing in the hot, wild, wonderful aroma of her crotch. Felicia-Ann

had her eyes closed and her mouth opened with her hot, steaming tongue flicking the air searching for relief and satisfaction. She could feel Yvette's lips, tongue and teeth kissing, sucking and biting her cock through her now soaked panties.

Then Yvette's hips were over Felicia-Ann's face and she felt Yvette's cock press against her face. The first thing she noticed after feeling Yvette's weight was the aroma of Yvette's love nest. Suddenly Felicia-Ann started to moan with delight and pleasure as hundreds of her kisses, heard and witnessed by the women present, were showered on Yvette's love tool.

Yvette tried desperately to suck Felicia-Ann's cock but her silken panties allowed her only a little bit of penetration into her mouth. This whole scene was so exciting and wild that we all were in ecstasy. Nothing was missed by our cameras as the scene was recorded.

Felicia-Ann was content with just kissing, biting and making soft sucking sounds, but Yvette was like a wild woman and soon Felicia-Ann's panties were soaking from Yvette's saliva. We could see her cock through the wet transparent cloth. Yvette was also licking the insides of Felicia-Ann's thighs and kissing her testicles through the wet material.

The excitement was very contagious and I spread my own legs and worked my finger up inside me. I had never masturbated in front of anyone before, but I was just too hot to stop, just too hot to care. My other friends were also freely rubbing themselves. With an almost super-human effort I broke myself free of my passion and begin taking more pictures, mostly of the sissies but also of my friends who were singly in different throes of hot, unbridled passion.

Then all of us fought to gain control of ourselves and we were soon able to concentrate on our "little girls." The "climax" of our little scenario was just beginning when I got down on the floor and looked directly at Yvette as she licked and sucked and nibbled hungrily, but tenderly, Felicia-Ann's hot throbbing

cock. I caught Yvette's eye and she saw my satisfied bitch sneer as I watched her making love to this male sissy. Was Yvette a she or a he? Was she a woman performing a normal sex act on a male, was he a man performing cunnilingus on a woman, was she a lesbian loving another woman's cunt or was he a queer sucking a man's cock?

It is at a time like this where the male instincts and upbringing are the strongest. You can understand why I didn't want to order Yvette to suck Felicia-Ann's cock because then she could claim that she was just a sissy "girl" following her Mistress's orders. I wanted my husband, Donald, to take the big plunge and suck Robert's cock as the "sissy boy" he was.

My decision was easily made. I wanted him to suck a cock as a male, so I simply allowed that hidden male instinct to come out. "Donald," I said with a big sweet smile, "if you want to suck Robert's cock, you have to ask for permission." MaryBeth took her cue and gave the same offer to Robert. The other women just sat there enthralled with the scene.

It took several minutes for us to cool them down and to regain control and to get them on their feet. When we did, and had them facing each other, we had them straighten out their uniforms. Their expressions were of acute embarrassment. Joan then broke the magic spell by asking, "well, do you boys want to suck cock or don't you?"

Robert immediately said, "No!" his face aghast with horror at what had just happened and having come so close to completing oral sex with another male, albeit a sissy male. His spell was broken; his training incomplete and the disappointment showed in MaryBeth's face. I knew that Felicia-Ann was going to be severely punished, later.

Donald, on the other hand, started to cry and he then performed a perfect curtsy to me and the other women and said very sweetly, "May I please suck Robert's cock, please?" I was very proud of

him as we all burst into laughter. My husband was actually standing there in panties, his pantied hips wiggling so that his petticoats swayed furiously and his large, make-believe breasts jiggled with excitement and the most wonderful look on HIS cute, powered made-up, but flushed face. He was asking a room full of women, women that he personally knew, for permission to give his "boyfriend," a blowjob in front of them.

What made this extra special was that we had pulled them out of their new sissy feminine world and right back into the old macho male world where the humiliation and embarrassment would be a hundred times more exquisite. They were now men, yes in panties, but still men. Their sex would be queer sex.

We then spent the next fifteen minutes adding to Donald's pleasure by making his life even more miserable. We made him fondle and play with his tits and to "practice" sucking cock by making oral love to his thumb. We made comments on the different articles of sissy clothing he wore and we finally had him pull his panties down to his knees and masturbate for us. We called him every kind of sissy name we could think of and all he showed was pure unadulterated ecstasy. "You're a queer, Donald, aren't you?" asked Sally.

Terri held his hand and asked, "Donald, do you really want to be a cocksucker?" Donald looked at her and said, "Yes, Miss Terri." Terri laughed.

Joan just looked him right in the eye and laughed, then she said with a dry, piercing voice, "You're a sissy, Donald, a fucking little homosexual." He jerked backward as if Joan had slapped him across the face.

Donald then whimpered, "I'll be a much better girl servant and even less of a man if I could pleasure Robert with my mouth, lips and tongue." His tear-streaked face was so pathetic. "Please, please, pretty please let me suck Robert's cock," he begged as he actually skipped around the room holding his petticoats out. At first we could only

stare in amazement as Donald started to skip around the room repeating his request. This was truly a sissy doing his (her) thing, as Donald kept repeating, "please, please."

Donald kept jumping around, almost out of control, begging us to allow him to suck a man's cock, albeit a sissy man. It was hilarious and all five women gathered around him and simultaneously hugged him and started to chant in a lively manner, "Donald's a queer, Donald's a queeeer. Donald's a queeeer." Then I announced to the women, "I'm giving Donald permission to suck cock. I think that he really wants to. Donald's going to suck Robert's cock until it explodes in his mouth. Donald's going to have Robert cum in his mouth. Donald's going to taste Robert's cum juices and swallow it."

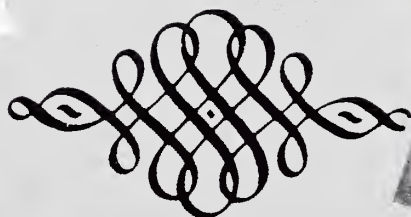

I finally gave him permission, "All right, Donald, you can suck his cock." Then with a huge smile on his pretty powder-streaked face, Donald did a little dance of joy as he neared the loss of his oral virginity. Then I ordered him to get permission from each woman before I would allow him to give Robert a blowjob.

To my surprise he went to Joan first and knelt at her feet and said in a whinny voice as they looked directly at each other. "Please, Miss Joan, may I suck Robert's cock. I've been a good girl, haven't I? I'm not a man anymore; I realize that and I do love to wear my pretty clothes and to honor and obey all women. Please," he pleaded. What woman could resist such a pretty little plea as that, so Joan said, "OK, Donald, I admit that you're a very good little sissy and I think it would be nice if you showed us that you're a very good little queer as well." Donald pretty much repeated his plea to each woman but changed some of the words to better suit that woman.

MaryBeth was the last of the women and when she answered yes to his plea to suck "her husband's cock," it was very evident that we had a very happy and satisfied sissy maid. However, by this time sissy Robert's cock was soft and limp and so small that it was obvious that

Letters to Kim Christy

If you wish to write to Kim and possibly have your letter published please send all correspondence to F.M.I., POB 1622, Studio City, CA 91614. All letters sent are considered for unconditional publication unless otherwise specified. If you wish to have your pictures published as well, please see the new requirements for models releases and ID on page 39.

Dear Kim,

You're a great, and very beautiful lady. FMI is a fantastic magazine for all the sisters out there who enjoy dressing as women to those who hope one day to actually become a real woman thru hormones and surgery.

I am 25, and ever since I was very young I've been "dressing up." I remember the very first time I put my mother's nylons on like it was yesterday. They felt so wonderful and silky against my skin, and I immediately felt so feminine. From that moment on, a fantastic world opened before me. But as all TV/TS's know its an extremely difficult time also. Its so very very hard to try to express one's femininity, and yet at the same time hide it. I spent the rest of my school years dreaming I were a girl, and

anticipating being alone, so I could get dressed up.

Getting clothes was always such a problem. I did the usual things such as steal my mother's and sister's, rummage thru the good will bins, and go shopping at ladies' stores for my "girlfriend." Buying sweaters and blouses were not too much of a problem, but oh my buying bras, panties, nylons and high heels, was sheer torture. I remember a thousand eyes upon me at the checkout line. But as painful as this was what a delight it was putting on my frilly feminine clothes and pretending I was a girl.

Then of course there are those dreadful times when one is discovered. Several times my mother and sister found me "dressed up" and thank god they were so understanding and

sympathic towards me.

So many times I felt I would go crazy. I wanted so badly to go out in public in a dress, high heels etc. and practice my femininity. Yet at this time in my life I could not. What really helped me thru this period was wearing bras, panties and nylons under my clothes. Another thing I used to do was get all dressed up and walk down the street at night. My, it felt so wonderful teetering around in my high heels and feeling my dress swish about my legs.

I would like to say, Kim, that I never had any desire to be intimate with a woman. How could I — in my heart I was a woman. At 23 I just had to do something, and I began seeing a wonderful therapist. She confirmed my belief that I was a

transsexual, and I made that fateful decision to start the long process to become what I knew I was — a woman.

I'm presently in a program at a local hospital and I'm taking female hormones, and living as a woman. I've completed electrolysis on my face and chest and the hormones have done wonders. I actually have breasts and nipples' my skin is softer, my hips fuller and overall now feminine looking. My mother and sister have supported me both emotionally and financially. Bless their hearts. Life is so so wonderful. And you know what Kim I can't wait for the day I actually have to sit down when I go to the ladies room.

Love & Kisses
Michelle

P.S.: God Bless all my sisters

I'd love to become a passable girl and date sexy men.

Dear Kim,

Hi! How are "things"? my name is Joey and this letter is apt to be a bit outre', but please bear with me as I apprise you of my "situation". While I am a transvestite, I never "don" female attire; and although I've always desired to be a woman, I tend to channel my energy in the opposite direction. Please allow me to elucidate. I "live" as the ultimate, curvaceous ultra feminine woman with something extra through my

bondless imagination. You see, somewhere along the TV path, I developed an intense "Beauty obsession". Which is why I don't dress up or pursue my dream. I wouldn't look good enough! I am repulsed by obvious or unattractive she-males.

I believe they should stay in the closet. Reality has no regard for fantasy! I can only be "seduced" by beautiful females or she-males (especially if there is absolutely no way of knowing which is which unless . . .)

**I can only be
"Seduced"
by
beautiful
females
or She-
Male**

So why am I writing to you? I am seeking someone who does custom drawings or photo realism (a painting that appears to be a photograph). I'm prepared to pay large \$ to such a person. Do you know of anyone? This is the only way to create that which doesn't exist in reality. Imagine Cindy Crawford or a playboy centerfold with a penis! Do you see the endless possibilities!! Of course you do!

The concept can be applied to video as well . . . use real women and depict them as men with

dubbed transgendered voices and trick photography. . . or use only the pretties and most shapely she-males with dubbed female voices; have them dressing and undressing in the sexiest clothing and doing make-up for each other with lots of hair and really long nails. Why are there no videos of beautiful "men" simply behaving like ultra-feminine women? Primping preening etc. (along the lines of "the mysteries of transsexualism explored") but using top of the line she-males or real women and technology. I know there is a market for it.

Now Kim, I will admit I sound rather maniacal, but you have the resources and I'm sure this isn't the first letter you've received from a boy who wants to be Miss America (one way or the other.) You know as well as anyone how rare a "Playboy centerfold she-male" is . . . You need great genetics; introduction of hormones prior to puberty and a ton of good fortune. A very tall order indeed! I wanted to start taking hormones at age 10, but it was impossible . . . so why not use technology to take fantasies to the limit and create the ultimate mind bogging illusion! I know there are thousands of young boys who would give anything to grow up and be Cindy!

Thank you for your time.
Please respond at your earliest convenience.

Donald had more work to do, so he knelt in front of this sissified and frightened man, who was holding his petticoats high in the air giving Donald plenty of room to work.

We made Robert stand in the middle of the room where we wouldn't miss anything as MaryBeth addressed Robert. "Hold your petticoats up, Robert, so that Donald can get at your manthing. After all, you're going to be the recipient of a blowjob. You're going to get your clock cleaned out by Donald. I think that you should thank us for allowing you to get your cock sucked off by a little sissy girl like Donald." Tears flowed freely down Robert's cheeks.

Donald quickly knelt in front of Robert and gently pulled Robert's panties down to his knees and started to play with the small, soft penis, then he began to kiss it, nibbling at it with his lips, licking it with his tongue and finally sucking it into his red-hot and moist mouth. As Robert's cock entered into his mouth, Donald slowly looked at each of the women who were cheering him on. Donald's suckling motion and sounds were so irresistible as he let his hot tongue caress and explore it until Robert's cock started to grow in Donald's hot, oral-love carven and then it quickly got full and hard and was emanating unbelievable heat as Robert's resistance gave way to Donald's oral homosexual charms.

As Robert's cock grew in the hot moist chamber, he soon succumbed to this irresistible lust as Donald pulled back slowly from his cock, revealing a saliva gleamed cock inch by inch. It seemed that it would go on forever. Finally it was out, standing up at a delightful angle, so hard and proud and macho and masculine looking.

Robert then placed his hands firmly on the back of Donald's head and brought it down firmly on his cock. Slowly Robert fed his sexual charms, his massive manhood, to his lover's delight, inch by inch, until his entire cock was in Donald's mouth. Then Robert started working in and out, literally fucking Donald's face.

It was hilarious to see our two men, wearing pretty petticoats, having sex. One still horrified at having sex with another man but so horny that he had to cum and cum soon, and the other male so determined to satisfy his own primeval instincts, to satisfy his own dusty, arid, dry throat with the "nectar of the gods, if not the goddesses."

I bent down just a few inches from my Donald's face as he sucked Robert's cock. I laughed, reviled and insulted him, calling him "cocksucker, fag, queer" but I could tell he was as happy as I was. Later on he was to tell me what a wonderful feeling it was and likened it to performing a delicate curtsy to me or getting spanked in front of the women. He likes being a sissy-girl and loved looking into my eyes while Robert's cock literally pummelled in and out of his mouth.

Finally MaryBeth's cute sissy couldn't control himself and yelled out that he was going to cum. Donald opened his wet mouth as wide as he could and Robert rested the tip of his wildly throbbing prick on Donald's bottom lip. We were to see his sperm shoot out and fill Donald's mouth. Robert was now holding his lover's ears (in the most degrading of all gay put downs) as the first spasm exploded out. Steaming hot, milky white and jelly-like cum quickly filled Donald's mouth as the women cheered loudly. Donald kept his mouth open and willingly waited for more, thirsting for more.

Donald told me later that he was so embarrassed when Robert came. He was looking up from his submissive position and directly into Robert's eyes when he came. "He was gloating, Carol, as if he wasn't dressed as a maid. It was exciting to see his expression of superiority over me. I knew that he felt like a man not a sissy, that he felt I was a queer and he was a man. It made me feel so weak, Carol. He made me feel so small, almost like I was a receptacle, a porcelain receptacle, just another way for him to get his rocks off. I loved it, Carol. I could be a sissy to a Master."

"I felt dirty. I loved it. It's fun to see the women laughing at me and it was fun to be more inferior than him."

The expression on the women was much better because, for the most part they showed disgust and contempt that a male friend of theirs would allow this to happen to him, but they were also pleasantly mesmerized as to the depths a sissy could and would sink to. "I think they liked it, Carol, really."

Sally bent down to look deeply into Donald's eyes and said, "Donald, I hope that you took your birth control pills because a pretty little sissy like you can get pregnant through your throat." We howled with delight at the thought of my husband being pregnant from giving Robert a blowjob.

With his mouth full of cum, Donald enthusiastically swallowed and was soon sucking it all up, savoring the hot, bittersweet cream as it first spurted out in large splashes and then oozed out slowly until Donald squeezed the last remnants of Robert's climax into this demanding mouth.

Carol informed the women that the last jellylike residue of a man's cum is called "sissy candy" and Donald really enjoys his, and she was positive he enjoyed this. Donald hummed as he sucked up his sissy candy.

All five women and Robert watched intently as Donald reveled in his violation of the laws of nature. Donald willingly accepted Robert's ejaculations and loved it. He kept repeating, "I'm a girl; I'm a queer; I'm a girl; I'm a queer."

Joan tauntingly said, "Does it taste good, Donald? Do you like the taste of cum?" A laughing Terri said, "You're a cocksucker now? How does it feel?" Sally amusedly said, "Don't worry Donald, you can't get pregnant doing it that way!" MaryBeth smiled, "His cum tastes good, doesn't it?"

Robert stood there as Donald, having finished giving him a blowjob, rose from his knees and, looking at us all, gave us a sweet curtsy and said, "Thank you. Thank you for letting me suck Robert's

cock, I enjoyed it." Then Donald looked at Robert and gave him a short curtsy and said, "Thank you, Sissy, Felicia-Ann, for cuming in my mouth. You taste really good and I liked doing it to you."

Joan then, wild with passion, made Donald jerk himself off, forcing him to shout out obscenities and to revile himself with his newly found homosexual capabilities. As he pounded away on his own love tool, he was yelling out to the individual women, "Oh! I love to eat cock. I love the feel of a man's prick in my mouth. Cum tastes so good. I'm a cocksucker. I give blowjobs for free. I'd rather lick a dick than a lollipop. Cum in my mouth."

Joan directed Donald to ejaculate on Robert's now soft and spent, red and tired cock when he was ready to cum. Joan roughly pushed his face down on Robert's cock and said, "OK, you fucking queer, let's see your sissy tongue lick up your own cum from your little sissy sister's cock." Donald by this time was exhausted and started to cry. Donald's hot tears mixed freely with his hot cum as he licked up and sucked down every drop of his own liquids and juices. Joan laughed and taunted Donald while the rest of us just sat back, drawn out but enjoying this latest humiliation.

Joan made Donald squeeze out the sissy candy from his own cock and to eat it. We howled. Then we ordered them to stop being men and start to be sissies again. We had the sissies straighten themselves out and just stand facing each other while they held hands like two sissy girls.

Joan made them kiss each other on the cheeks like two sisters. By this time Robert was tired, humiliated, disgusted and angry. He wanted it to all end. Donald, on the other hand, was still excited with being a sissy and wanted to do more sissy things. By now the rest of us were excited, so MaryBeth allowed Robert to change back into his male clothes while Yvette served the women coffee.

About thirty minutes later Robert came back into the room smiling rather sheepishly. He had showered

and changed into jeans and a shirt and looked rather strong and manly. He couldn't take his eyes off of his friend who was still dressed in his dress. They went into the kitchen where they talked to each other about the afternoon's activities. Yvette told me later that she was thrilled talking to Robert dressed as they were.

The party broke up soon after. Yvette assisted the women with their coats and heard their feminist, anti-masculine comments. They all congratulated MaryBeth and me for our accomplishments with our sissies. Each of the women gave Donald a big hug and whispered something nice, like what a good sport he was or how cute he was and what a wonderful little girl he made, while Donald, blushing

profusely, thanked them and told them how much he enjoyed their supervision, direction and domination. I was so proud of my sissy husband and as we drove home I told him so. I told him that he was still a girl so while he kind of sat back and relaxes, he spread his petticoats out and started sucking his thumb which lasted all the way home.

After we got home, I took him upstairs and we made mad passionate love. We enjoy our lifestyle. It turns us on, gives us satisfaction, excitement and amusement. Besides it all comes with a clean house.
